# WD\_BLACK™ C50 EXPANSION CARD FOR XBOX™

STORE MORE, PLAY MORE ON XBOX™

The officially licensed WD\_BLACK™ C50 Expansion Card for Xbox™ is the fast and easy way to give your Xbox Series X|S a big capacity boost.

- The WD\_BLACK™ C50 Expansion Card for Xbox™ leverages the Xbox Velocity Architecture™ and delivers similar performance as your Xbox Series X|S internal storage.
- As game file sizes grow, capacities from 512GB to 1TB<sup>1</sup> let you keep more of today's top titles installed and ready to go.
- This officially licensed Xbox™ expansion card is plug-and-play with your Xbox Series X|S, so you don't have to worry about compatibility or opening your console to install.
- The expansion card's slick, industrial aesthetics deliver the cool factor that WD\_BLACK™ is known for and fit in perfectly with your Xbox™ console.
- Unlike solutions where you have to transfer the Xbox™ Series X|S games back and forth to the console, the WD\_BLACK™ C50 Expansion Card lets you keep games ready to play.
- The expansion card is Quick Resume-compatible, allowing you to suspend your current game, play a different game, then come back to the first game as if you never left.

## XBOX™ PERFORMANCE

The WD\_BLACK™ C50 Expansion Card for Xbox™ leverages the Xbox Velocity Architecture™ and delivers similar performance as your Xbox Series X|S internal storage for a seamless experience with your favorite games.

## STORE MORE HUGE TITLES

Games are getting bigger, eating up more storage. Capacities from 512GB to 1TB<sup>1</sup> let you keep more of those titles installed and ready to fire up at a moment's notice.

## EASY TO INSTALL

This officially licensed Xbox™ expansion card is plug-and-play with your Xbox Series X|S, so you don't have to worry about compatibility or opening your console to install.

## DESIGNED BY WD\_BLACK™

The expansion card's slick, industrial aesthetics deliver the cool factor that WD\_BLACK™ is known for and fit in perfectly with your Xbox™ console.

## STORE MORE, PLAY MORE ON XBOX™

Non-expansion card solutions require you to transfer games back and forth to your console. The WD\_BLACK™ C50 Expansion Card for Xbox™ lets you get into the action faster so you can game when you want to.

## QUICK RESUME-COMPATIBLE

Suspend your current game, play a different game, then come back to the first game as if you never left. Only the Xbox™ console's internal SSD and expansion cards can support this time-saving feature.
